

NICHES

Simply Elegant niches are the perfect means of creating a focal point in any wall, hallway or gallery, regardless of size. Whether used for the permanent display of treasured objects, or simply as an excuse to lift the spirit every day with generous flower arrangements, they are certain to enhance any area.

Most models are supplied with glass shelves and a frosted glass base, beneath which gentle illumination may be concealed. There are a variety of specifications offering full flexibility of fitting. Please contact our technical department before ordering to ensure that your chosen niche is suitable for the application you have in mind.
